Hi Darcy,

FYI, we just had a discussion with Darryl at OP. The rule is not economically significant, however, OMB has decided they want to review the rule. Let us know if you have any questions.

Thanks,

Dee

Hi all,

Yesterday, OMB determined that the Uintah FIP rule is significant and they will review it. I've updated Tracker but the dates for OMB Review are a bit out of date. I can help as needed.

Darryl
